

# CRP eligibility

## CUSTOMER RESPONSIBILITY PROGRAM

Eligibility for CRP is based on household size and income. Renters and homeowners are eligible.

| NUMBER OF PEOPLE IN HOUSEHOLD    | MAXIMUM MONTHLY HOUSEHOLD INCOME | MAXIMUM ANNUAL HOUSEHOLD INCOME |
|----------------------------------|----------------------------------|---------------------------------|
| 1                                | \$1,883                          | \$22,590                        |
| 2                                | \$2,555                          | \$30,660                        |
| 3                                | \$3,228                          | \$38,730                        |
| 4                                | \$3,900                          | \$46,800                        |
| 5                                | \$4,573                          | \$54,870                        |
| 6                                | \$5,245                          | \$62,940                        |
| 7                                | \$5,918                          | \$71,010                        |
| 8                                | \$6,590                          | \$79,080                        |
| For each additional person, add: | \$673                            | \$8,070                         |
