

PHILADELPHIA GAS WORKS NOTICE OF PROPOSED RATE CHANGES

To Our Customers:

PGW is filing a request with the Pennsylvania Public Utility Commission (PUC) to add a control (“cap”) to the Company’s previously approved Weather Normalization Adjustment (“WNA”) Clause as of April 1, 2023. PGW’s proposed control (“cap”) would ensure that customers would not be billed a WNA charge or credit of greater than 25 percent of total delivery charges, excluding the WNA, on any given bill.

To find out your customer class, how the requested change may affect your natural gas bill, or to find out what actions you may take, contact PGW at 215-235-1000. A copy of the filing can also be viewed by visiting www.pgworks.com.
