

# UESF eligibility

## UTILITY EMERGENCY SERVICES FUND (UESF)

### UESF Grant Eligibility Requirements:

- You may receive a UESF grant only every two years
- You must have applied for LIHEAP and Crisis first, if eligible
- You must have a zero balance after receiving the grant
- Household income is at or below 175 percent of Federal Poverty Level

Eligibility for UESF is based on household size and income. Renters and homeowners are eligible.

| NUMBER OF PEOPLE IN HOUSEHOLD    | MAXIMUM MONTHLY HOUSEHOLD INCOME | MAXIMUM ANNUAL HOUSEHOLD INCOME |
|----------------------------------|----------------------------------|---------------------------------|
| 1                                | \$1,861                          | \$21,858                        |
| 2                                | \$2,514                          | \$29,593                        |
| 3                                | \$3,168                          | \$38,010                        |
| 4                                | \$3,821                          | \$45,850                        |
| 5                                | \$4,474                          | \$53,690                        |
| 6                                | \$5,128                          | \$61,530                        |
| 7                                | \$5,781                          | \$69,370                        |
| 8                                | \$6,434                          | \$77,210                        |
| For each additional person, add: | \$653                            | \$7,840                         |
