PGW Boosts Safety, Conservation & Stabilizes Bills

The low price of natural gas, PGW's energy conservation efforts, and federally funded grants have resulted in significant cost savings to customers.

Let's look at the facts:

SAFE

Our 24/7 emergency hotline is available **365 days a year** and PGW first responders arrive to inspect odor reports within an hour. **Think you smell gas? Call 215-235-1212.**

AFFORDABLE

The annual bill for a typical PGW heating customer has decreased **\$259** over the last 10 years. Adjusted for inflation, this is a \$662 decrease.

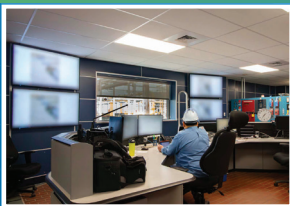

RELIABLE

Awarded **\$125 million in grants** from the U.S. Department of Transportation's Pipeline and Hazardous Materials Safety Administration. The money will **fund the replacement of 66 miles of cast iron main** and reduce 412 tons metric of methane emissions.

SUSTAINABLE

In 2024 alone, PGW **eliminated 7,581 metric tons of carbon dioxide**. Plus, customers **saved 3,480 metric tons** through PGW energy-saving grants, rebates and programs.

Learn more about ways to further reduce your PGW bill and save energy at PGWorks.com.

GET THE 411 ON PIPELINE WORK

Warmer weather brings increased activity with Pipeline Improvement Projects. This work improves reliability and eliminates methane emissions.

Stay up to date about work in your neighborhood, near your job, and along your commute with our Pipeline Improvement Map.

The map lets you:

- Identify active and upcoming projects.
- See schedule for completion.
- Check the status of projects.

Energy Tips To Help Lower Your Energy Bill.

- ☒ Seal cracks and openings that allow cool air to escape.
- ☒ Close blinds and shades during the day to block heat on sunny days.
- ☒ Install a smart thermostat to maximize energy savings. You can save \$70 on the purchase of a smart thermostat at PGWorks.com.
