### LOWEST COST TO HEAT YOUR HOME

Save on winter home heating costs (October 2023-March 2024) by using natural gas.\*

\$605

Natural Gas

VS.

\$1,063

Electricity

\* Figures are estimates of U.S. average household heating costs.

## \$ave On Your Bill

Simple steps to stay warm  
& lower your energy bills.

- Use weatherstripping or caulk to close cracks/spaces around doors and windows to keep warm air from escaping.
- Set your thermostat as low as possible. When away or asleep, lower it a few degrees for extra savings.
- Reverse a ceiling fan to spin clockwise forcing warm air down from the ceiling. Turn it off if no one is in the room.
- Keep the temperature of the water heater on the warm setting (120°F).

## IMPROVING SYSTEM RELIABILITY & SAFETY

PGW removed 32 miles of cast iron pipe last year. This work:

- Improves our distribution system's reliability.
- Prevents leaks.
- Lowers emissions.

Thanks to a \$10 million federal grant, we can upgrade more of our distribution system.

#SafetyFirst

## LIMITED TIME OFFER

Get \$90 off a smart thermostat @ PGW Marketplace!

Visit [PGWenergysense.com/marketplace](https://www.pgwenergysense.com/marketplace)

## COMMITTED TO COMMUNITY

During the season of giving, PGW employees:

- **DONATED** gifts for Toys for Tots and The Salvation Army.
- **SENT** coats and winter gear to St. Francis Inn and The Rock Ministries of Philadelphia.
- **PACKED** meals for families at SHARE Food Program.
- **GIFTED** \$70,393 to support United Way and local nonprofits.

Want PGW at your neighborhood event? Email your request to [feedback@pgworks.com](mailto:feedback@pgworks.com) or call 215-684-6880.

Keep up with our work in the community at [pgworks.com/community](https://www.pgworks.com/community) and on social media @MyPGW.

# THINK YOU SMELL GAS?

Natural gas has an unpleasant, rotten egg-like odor for easy detection and your safety.

If you think you smell gas, leave the area immediately, then call PGW at 215-235-1212.

Remember, if you think you smell gas:

- **NEVER** flip the light switch on or off.
- **NEVER** use electrical devices.
- **NEVER** try to locate the source of the gas leak.
- **NEVER** try to shut off any natural gas valves or appliances.
- **NEVER** re-enter the building or return to the area until a qualified utility representative says it is safe to do so.
