Don't Wait! Cut Your Bill With CRP

PGW's Customer Responsibility Program (CRP) is an assistance program that can help low-income customers pay less each month.

Apply online at PGWorks.com/CRP

Have ready:

- Proof of gross household income for the past 30 days
- Name, social security number, and date of birth for each household member.

Applications available in multiple languages at PGWorks.com/Translations

For more information about PGW's assistance programs, visit PGWorks.com or call us at 215-235-1000, M-F, 8 a.m. - 6 p.m.

Cut Costs. Cut Emissions.

PGW is committed to an eco-friendly future. We're working to...

Eliminate Methane Escape:

PGW invests millions of dollars every year to maintain the city's natural gas distribution system by installing new, state-of-the-art infrastructure. With each new mile of main installed, methane escape is reduced to zero. See where we're working on our Pipeline Improvement Map: PGWorks.com/Worksites

Empower A Clean Energy Future:

PGW and Temple University's Small Business Development Center launched The Energy Innovation Lab, an incubator supporting environmentally friendly concepts to meet Philadelphia's future energy needs.

Energy Savings Tips

Spring brings warmer temperatures and new ways to help manage your energy. Check out these tips:

- Save money by sealing cracks and openings that allow cool air to escape from your home.
- Close draperies and shades during the day to block heat on sunny days.
- Install a smart thermostat to maximize energy savings. You can save \$70 on the purchase of a smart thermostat at PGWorks.com.
- Cover pots and pans with a lid to help food cook faster.
