

## **UESF** eligibility

## UTILITY EMERGENCY SERVICES FUND (UESF)

## **UESF Grant Eligibility Requirements:**

- · You may receive a UESF grant only every two years
- You must have applied for LIHEAP and Crisis first, if eligible
- You must have a zero balance after receiving the grant
- Household income is at or below 175 percent of Federal Poverty Level

Eligibility for UESF is based on household size and income. Renters and homeowners are eligible.

| NUMBER<br>OF PEOPLE IN<br>HOUSEHOLD | MAXIMUM<br>MONTHLY<br>HOUSEHOLD<br>INCOME | MAXIMUM<br>ANNUAL<br>HOUSEHOLD<br>INCOME |
|-------------------------------------|---|--|
|                                     |   |  |
| 1                                   | \$1,733                                   | \$20,790                                 |
| 2                                   | \$2,336                                   | \$28,035                                 |
| 3                                   | \$2,940                                   | \$35,280                                 |
| 4                                   | \$3,544                                   | \$42,525                                 |
| 5                                   | \$4,148                                   | \$49,770                                 |
| 6                                   | \$4,751                                   | \$57,015                                 |
| 7                                   | \$5,356                                   | \$64,278                                 |
| 8                                   | \$5,963                                   | \$71,558                                 |
| For each additional person, add:    | \$607                                     | \$7,280                                  |
