5 Proposal Evaluation, Negotiation and Contract Award

5.1 Disqualification of Proposers

5.1.1 If more than one Proposal is received from any individual, firm, partnership, corporation, or association, under the same or different names, said Proposals will not be considered. Reasonable grounds for believing that any Proposer has an interest in more than one Proposal will cause the rejection of all Proposals in which such Proposer is interested. If there is reason to believe that collusion exists among Proposers, none of the participants in such collusion will be considered. Similarly, unsolicited proposals may not be considered.

5.1.2 No Proposal shall be received from, or contract awarded to, any PGW or City employee or official who may have any direct or indirect interest in such submitted Proposal or contract.

5.2 Qualification of Proposers

5.2.1 PGW will carefully consider the Proposer’s qualifications, proposed financial consideration, experience, financial responsibility proposed scope of services, and timeline in evaluating each Proposal. In PGW’s evaluation, the Proposal as a whole may bear more weight than the individual parts of the Proposal.

5.2.2 Following PGW’s review of the submitted proposals, PGW may select one or more Proposers with which to negotiate. PGW shall notify Proposer(s) of selection for negotiations. The date that the Proposer’s receipt of the notification is confirmed by PGW, is referred to herein as the “Notification Date.”

5.2.3 Respondents to this RFP are subject to Philadelphia Code (Chapter 20-600) and the Pennsylvania Ethics Act (65 P.S. Section 401 et.seq.) All respondents are required to disclose any potential conflict caused by PGW or City employees having a financial interest in the entity entering into a contract or agreement with PGW.

5.3 General Reservation of Rights

5.3.1 This RFP and the process it describes are proprietary to PGW and are for the sole and exclusive benefit of PGW. No other party, including any respondent to this RFP or future Proposer to any RFP which may be issued by PGW, is intended to be granted any rights hereunder. The Proposer acknowledges and agrees that any materials submitted in response to this RFP will be subject to disclosure under the Philadelphia Home Rule Charter and/or the Commonwealth Right to Know Act. The Proposer expressly waives any right to designate its response or parts thereof confidential, proprietary, a trade secret or otherwise exempt from disclosure. The Proposer agrees that PGW may make such disclosure or reproduce such materials as is deemed necessary or convenient by PGW, its officers, agents, or employees, for PGW’s use in Proposal evaluation and comparison; provided, however, that if any person makes a request as contemplated by the Philadelphia Home Rule Charter.
and/or Commonwealth Right to Know Act to review or be provided with copies of such materials or any part thereof, and PGW denies such requests, immediately upon notification thereof, the Proposer shall, at its sole cost and expense, defend PGW and its officers, agents, and employees against any action resulting from denial of such request. Any materials submitted or ideas elicited in response to this RFP shall be the sole and absolute property of PGW with PGW having title thereto and unrestricted use thereof.

5.3.2 PGW reserves the right to reject as informal or non-responsive any Proposal that, in PGW’s sole judgment, is incomplete, is not in conformity with applicable law, is not responsive to this RFP, or contains ambiguities or services not called for by this RFP.

5.3.3 Without limiting the generality of any other provision of this RFP, PGW reserves the right, at any time prior to execution of an agreement with the successful Proposer, to exercise all or any of the following rights and options, which rights and options PGW may exercise to the extent that PGW, in its sole discretion, deems to be in its best interests:

5.3.3.1 To request additional or supplemental information (including but not limited to information inadvertently omitted by any Proposer in response to this RFP) from any or all Proposers;

5.3.3.2 To accept or reject, at any time prior to its execution of an agreement, any or all Proposals or any part thereof submitted in connection with this RFP;

5.3.3.3 To accept or reject any or all of the items in any Proposal and award the contract in whole or in part if it is deemed in PGW’s best interest to do so;

5.3.3.4 To waive any informality, defect, non-responsiveness, or derivation from this RFP that is not, in PGW’s sole judgment, material to the Proposal;

5.3.3.5 To negotiate unacceptable provisions incorporated within an otherwise acceptable Proposal submitted in response to this RFP;

5.3.3.6 To reject without evaluation any Proposal that is incomplete, unclear, conditional, or which contains irregularities of any kind;

5.3.3.7 To reject any Proposal that in the sole discretion of PGW is not in the best interest of PGW;

5.3.3.8 To re-issue this RFP without change or modification;

5.3.3.9 To issue a subsequent RFP for this project with terms and conditions that are substantially different from the terms and conditions set forth in this RFP;

5.3.3.10 To cancel this RFP with or without issuing another RFP;
5.3.3.11 To supplement, amend, substitute, or otherwise modify this RFP at any time prior to execution of a final agreement with a Proposer;

5.3.3.12 To reject the Proposal of a Proposer that, in PGW’s sole judgment, has been delinquent or unfaithful in the performance of any contract with PGW, or is financially or technically incapable of performing the services required in this RFP, or is otherwise not a responsible Proposer;

5.3.3.13 To permit or reject, at PGW’s sole discretion, amendments (including information inadvertently omitted), modifications, alterations and/or corrections of Proposals by some or all of the Proposers following Proposal submission;

5.3.3.14 To request that some or all of the Proposers modify Proposals or provide additional information following evaluation by PGW;

5.3.3.15 To conduct such investigations as PGW considers appropriate with respect to the qualifications of any Proposer and/or any information contained in any Proposal;

5.3.3.16 To request clarifications of any unclear Proposal;

5.3.3.17 To negotiate simultaneously, or otherwise, with one or more Proposers;

5.3.3.18 To discontinue and resume negotiations with one or more Proposers;

5.3.3.19 To rescind its rejection of any Proposal(s) and negotiate (or resume negotiations) with a previously rejected Proposer;

5.3.3.20 To not proceed with the process described in this RFP, or to change any time schedules set forth herein;

5.3.3.21 To not enter into an agreement pursuant to this RFP.

5.3.4 PGW intends to enter into contract negotiations with the selected Proposer. However, PGW reserves the right to terminate any negotiations at any time or conduct simultaneous, competitive negotiations with multiple Proposers. PGW reserves the right to negotiate acceptable terms in an otherwise unacceptable Proposal. Such negotiations may result in changes to material terms of this RFP; in such event, PGW shall not be obligated to inform other Proposers of the changes, or permit them to revise their Proposals accordingly, unless PGW, in its sole discretion, determines that doing so and permitting such is in PGW’s best interest. Should negotiations not prove satisfactory with the recommended Proposer(s), PGW reserves the right to discontinue negotiations with the recommended Proposer(s) and additional firms may be asked to enter into negotiations or PGW may solicit new Proposals or issue a new Request for Proposals.
5.4 Award

5.4.1 PGW intends to award the agreement to the Proposer whose Proposal best satisfies the scope of services described in Section 2 and is otherwise in the best interest of PGW. The determination of award shall be made by PGW, in its sole discretion, which decision shall be final. PGW may employ such analysis techniques and professional consultants for Proposal evaluation as it deems necessary. PGW may request submission of additional information to assist it in evaluating a Proposal, and the Proposer shall cooperate fully with such request. The contract resulting from this RFP will be awarded to the qualified Proposer whose Proposal PGW believes will be the most advantageous to PGW. PGW may condition an award on the successful Proposer’s agreement to such terms and conditions as required by PGW including, but not limited to, PGW’s indemnification.
