GOOD GAS NEWS

PGW

Happy Holidays FROM OUR PGW FAMILY TO YOURS.

SHARE-ING FOR PGW CARES DAY

PGW employees recognize the importance of giving back to those who may be facing difficult times.

At our second annual PGW Cares Day, employees and their families spent a Saturday morning at SHARE Food, a nonprofit organization in East Falls committed to ensuring people have wholesome, affordable food.

Volunteers helped SHARE pick and pack produce, paint, and package perishables to help reduce food poverty for the 700,000 low-income people in our community.

We take great pride in giving back to our local community and making a difference in the lives of those in need.

SAFETY TIPS

COLD WEATHER CAN BRING CHALLENGES CAUSED BY THE ARRIVAL OF SNOW AND ICE.

Follow these pointers to help keep your family safe:

- Clean or replace the air filter on your heating system to make sure it operates efficiently.
- Clear snow and ice from outside vents to avoid carbon monoxide poisoning.
- Never use your oven to heat your home.
- Have your heating system inspected and serviced by a professional to ensure it's operating properly.

If you think you smell gas, leave the area immediately and call us 24/7 at 215-235-1212.

PGW AWARDED EMPLOYER OF CHOICE BY THE CITY OF PHILADELPHIA

The City recently recognized a select group of local businesses with the inaugural **Employer of Choice** award. PGW was one of 13 companies to receive this honor.

Sponsored by the Department of Commerce and the Office of Workforce Development, honorees had diverse hiring practices, strong workforce training, internships and other work opportunities for youth, and promoted career advancement for employees.

At PGW, we take pride in being part of the solution for America's future.

Consider joining a diverse, award-winning team with growth potential.

WINTER HOME HEATING HELP

As temperatures fall, the cost of monthly heating can go up. PGW has programs and services to help your family stay warm.

CRISIS Assistance is a federal grant that is awarded to income-eligible customers who are without utility service. Customers can apply for both Crisis Assistance and LIHEAP at the same time.

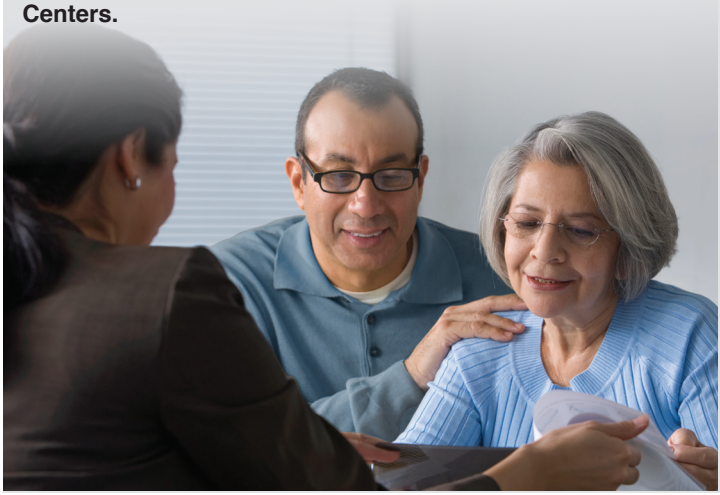

Customer Responsibility Program (CRP) from PGW is a powerful way for low-income customers to cut gas bills every month. The CRP discount is based on factors like your household size and gross household income.

LIHEAP Low-income households can get help to pay their winter heating bills. These federal grants range from $200 to $1,000 and DO NOT have to be repaid. Text CASH to 75308 to see if you're eligible.

Utility Emergency Services Fund (UESF) is a grant designed to pay off the balance of a customer's unpaid utility bill and bring it to $0. UESF relies on individuals, corporations, foundations and government agencies to help provide direct assistance to vulnerable families. Learn more at uesfacts.org

Payment Arrangements If you've fallen behind on your PGW bill, you may be eligible to enroll in a PGW repayment plan.

For more information about our assistance programs, visit pgworks.com under Customer Care, call 215-235-1000, or visit us in person at our five area Customer Service Centers.

TEAM GREEN

PGW takes pride in our Eagles, win or lose.

FIELD GOAL FOREST PGW

We prefer wins, especially ones that include lots of field goals. We'll plant 10 trees for every one made this season through the Field Goal Forest program.
