# SNAG A $70 REBATE TODAY

Starting now, PGW customers can get a **$70 instant rebate** by purchasing Nest, Ecobee, Honeywell, or Emerson smart thermostats through **PGW's new Marketplace. Visit PGWorks.com today!**

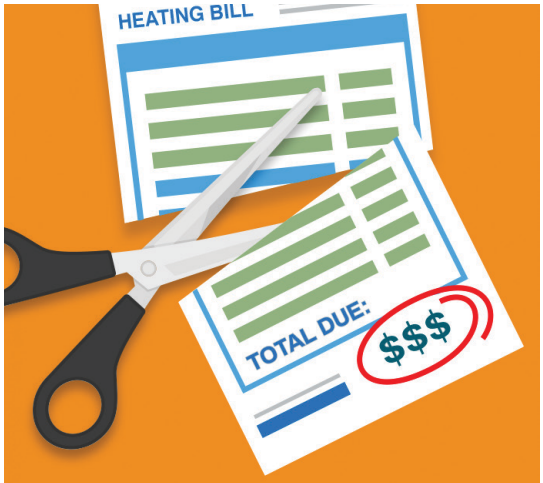

Smart thermostats can be controlled by a cell phone and include features like motion sensors, alerts and integration with other smart devices. These features help conserve energy, improve home comfort and control energy costs.

In addition to **PGW's Marketplace**, PGW offers a variety of energy cost-saving programs, including rebates and credits that incentivize customers to:

- Upgrade to eco-friendly high efficiency natural gas appliances;
- Convert to natural gas home heating; or
- Switch to natural gas hot water heaters.

For more information on PGW's energy efficiency options, visit pgworks.com/customer-care/efficiency.

**Customers struggling to afford their PGW bills are urged to call PGW Customer Care at 215-235-1000 or visit pgworks.com**

# PGW WINTER RESPONSE

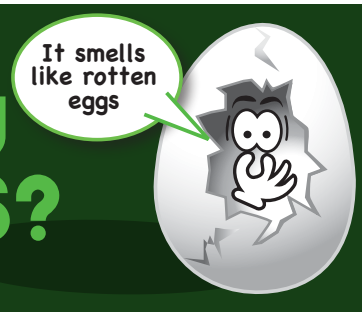

Throughout this challenging and unpredictable year, PGW has been hard at work to continue to deliver safe and reliable service to homes and businesses across Philadelphia.

Winter readiness at PGW means:

- Year-round maintenance and ongoing safety training for all PGW personnel;
- Gas supply management to ensure delivery and keep gas costs lower; and
- 24/7 response and coordination with city, state and federal agencies.

To learn more about how we meet customers' needs every winter, visit us at PGWorks.com.
