HOW TO PREPARE FOR A SERVICE APPOINTMENT

CREATE A CLEAR PATH
to your meter and/or appliances.

SECURE PETS
away from the work area during the appointment.

SHARE POTENTIAL HAZARDS
your technician may experience with accessing the work area.

PGW technicians will arrive in PGW vehicles and show a PGW ID badge.

INVESTING IN THE FUTURE

Every summer, students from area high schools and colleges gain valuable skills and some extra dollars through our internship opportunities.

PGW hired 27 students – 19 college and 8 high school – to work in various departments this summer.

The high school students were part of the WorkReady Program, which places teens with local companies for six-week paid internships.
