

# GOOD GAS NEWS

## PROTECT YOURSELF AGAINST

# IMPOSTERS

Recent news stories showcase the need to be vigilant when unexpected people arrive at your home. Criminals may pose as utility workers to gain entry into homes and businesses. We continue to work with law enforcement to combat this issue for the safety of you, and your loved ones.

**To arm yourself against people falsely claiming to be PGW workers, follow these important tips:**

**Ask for PGW branded ID** – All PGW employees carry photo ID. If someone at your door does not have it, or refuses to produce ID, don't let them into your home. Call 911 immediately.

**Don't give out personal information** – PGW employees who come to your home will never ask for your credit card, social security or account numbers or request any other personally identifiable information.

**Any doubts?** – Don't hesitate to call PGW directly. This extra step offers you a greater level of safety and security. After all, your safety is our first priority.

**Call 911** – If you have any uncertainty, call 911. The Philadelphia Police Department has a direct line to PGW and can verify a utility worker's identity.

**Remember** – Be Sure Before You Open The Door.

## Warmth without the worry.

A free grant from LIHEAP helps save on heating bills.

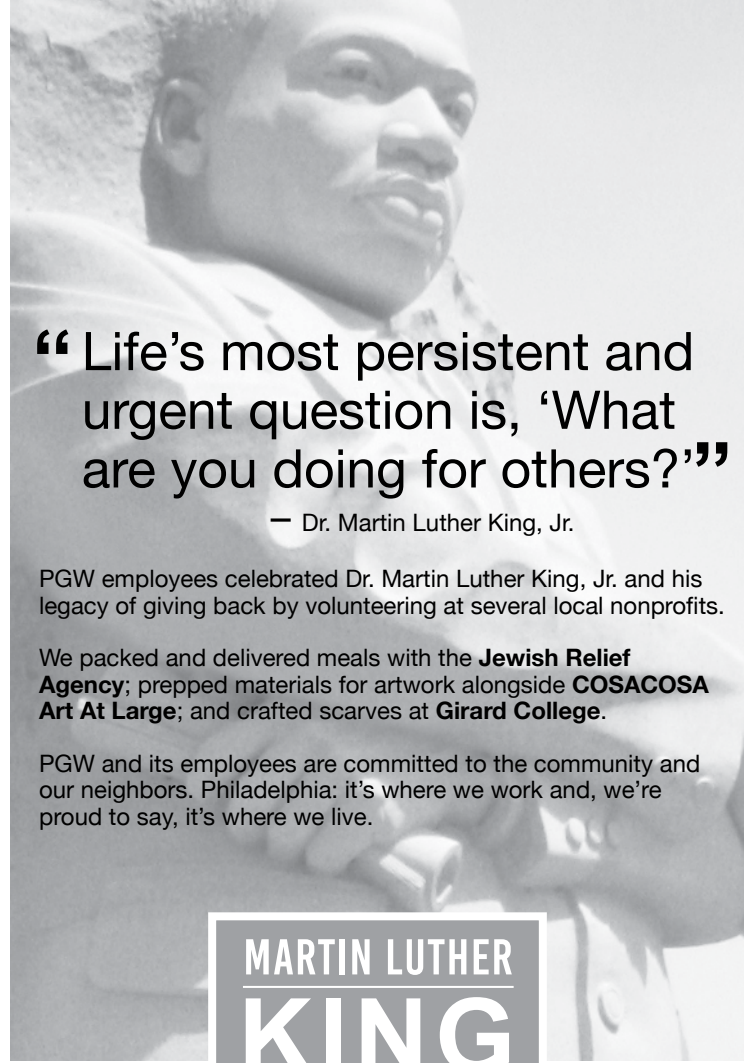

See if you qualify for up to **\$1,000** this winter.

Ease the load.

FEBRUARY 2019

“Life’s most persistent and urgent question is, ‘What are you doing for others?’”

— Dr. Martin Luther King, Jr.

PGW employees celebrated Dr. Martin Luther King, Jr. and his legacy of giving back by volunteering at several local nonprofits.

We packed and delivered meals with the **Jewish Relief Agency**; prepped materials for artwork alongside **COSACOSA Art At Large**; and crafted scarves at **Girard College**.

PGW and its employees are committed to the community and our neighbors. Philadelphia: it’s where we work and, we’re proud to say, it’s where we live.

# ENVIRONMENT SCORES WITH PGW, EAGLES

Eagles pride lasts year round in Philadelphia – on and off the field.

PGW has teamed with the Eagles for the second year to support the environment we share through the Field Goal Forest program. PGW plants 10 trees around the city for every Eagles field goal.

Nearly 700 trees will be growing in the Philadelphia area because of the program.

Along with providing shade, trees reduce carbon dioxide in the air and offer other environmental benefits. Sustainability is a cornerstone of both the Eagles and PGW, along with serving the community.

We Work for Philly and Bleed Green. Learn more about our work in the community, and other green initiatives at [weworkforphilly.com](http://weworkforphilly.com).
