Did you know that you can receive rebates up to \$2,000?

EnergySense provides grants and rebates for the purchase of energy efficient equipment like boilers and furnaces, and has new rebates for insulation and air sealing.

EnergySense residential equipment rebates help you:

- ✓ Improve home comfort
- ✓ Increase home or property value
- ✓ Contribute to a cleaner environment
- ✓ Get more for your money!

Learn how you can save with EnergySense at pgwenergysense.com

Pipeline Map Gives You The 411 On Projects In Your Area

Warmer weather brings increased activity with Pipeline Improvement Projects. This work improves reliability and eliminates methane emissions.

Stay up to date about work in your neighborhood, near your job, and along your commute with our Pipeline Improvement Map.

The map lets you:

- Identify active and upcoming projects.
- See schedule for completion.
- Check the status of projects.

Planning to Move?

Visit PGWorks.com to start, stop, or transfer PGW natural gas service.

Remember to contact PGW at least seven days in advance of your service start or end date.

PGW will conduct a final meter reading and transfer or close your account once your move date is confirmed.

HOW TO PREPARE FOR A SERVICE APPOINTMENT

CREATE A CLEAR PATH

To your meter and/or appliances

SECURE PETS

Away from the work area during the appointment

SHARE POTENTIAL HAZARDS

Your technician may experience accessing the work area

DURING EMERGENCY CALLS

Technicians will not call or ring the door bell as a SAFETY MEASURE.

IF YOU SMELL GAS, CALL 215-235-1212
